Disposable hygienic mask, standard
IGE002
Disposable hygienic mask, standard IGE002

Bacterial filtration efficiency (BFE)
Bacterial filtration efficiency (BFE): 83%

Breathability
Differential pressure Pa/cm²: 52%

Composed by 2 layers non woven tissue
2 x 55 gr/m²

One size fits all
With 5 openings for individual adjustment

Environmental protection
Non woven tissue, flushable
100% cellulose, 100% recyclable
Material FSC and PEFC certified
Raw material (wood) manufactured from sustainably managed forests

Dermatologically tested
100% free of chemical additives and binders

Suitable for food contact
100% Biodegradable
100% Compostable

According to norm UNE flushable
100% Cellulose
100% Recyclable
0% Plastic
Forests Forever
Sustainable Forest Management, Chain of Custody
Dermatologically tested

Units
60

Folded 1/4

This product is a disposable hygienic mask, not suitable for sanitary use.
**Data sheet**

**Cellulose**
- Grammage: 1x55 gr/m² ± 10%
- Tensile strength along: 25 N/5cm WSP 110.4
- Tensile strength across: 15 N/5cm WSP 110.4
- Wet strength along: 10 Nw/5cm WSP 110.4
- Absorption: 950% WSP 10.1
- Density: 650.00
- Elongation: 9% WSP 110.4
- Whiteness/colour: 87% ± 5%
- Code MP: MP039
- Alimentary reg.: Yes

**Other important information**
- Bacterial filtration efficiency (BFE): 83% ± 6.19
- Breathability (presión diferencial Pa/cm²): 52% ± 1
- 100% flushable, 100% cellulose fibers
- According studies INDA-EDANA GD4 INDA-EDANA and UNE 149002:2019
- 100% free of chemical additives and binders
- Dermatologically tested
- Chain of custody according FSC and PEFC
- 100% biodegradable and compostable

**Logistical information**
- Final sales unit
  - Lenght: 40.00 cm ± 5% (38.00-42.00)
  - Wide: 25.00 cm ± 3% (24.25-25.75)
  - Units: 60
  - Version: Smooth
  - Sheets: 1
  - Pre-cut: 5 openings

- Sales format (box)
  - Containing/box: 1800 units (30 parcels x 60 units)
  - Parcels: 30
  - Lenght: 610 mm
  - Wide: 410 mm
  - Height: 510 mm
  - Volume: 0.100 m³
  - Quality/Packaging: Kraft paper + 2 sheets cardboard
  - Coil weight: 375 gr ± 5% (356-393)
